Dear Robert

Good afternoon

Thank you for reaching out to me.
It is heartening to know that my name has been considered for this important position.

Yes, I am willing to volunteer for this position as a prospective member of BOD of RAGAS.

As a health advocate my interests have included Polio Eradication and fighting against Malnutrition and I currently serve on the Board of Trustees for TMSG - Trust for Malnutrition and Stunted Growth (www.tfmasg.org).

I am a Cadre member of Technical Advisors of TRF for some time now. My special interests have been Blindness Prevention since 2002 and I have been a life member for Blindness Prevention RAG since 2010.

There is a dire situation regarding bonded labour working as slaves in Pakistan at the Kins and is very common.

I would love to serve your board and contribute to the cause. My home club is Rotary Club of Multan Cantt in Pakistan. As you might be aware that my family migrated to Canada last year. I was there in Pakistan to serve as DG for the year 2024-25 but unfortunately our District 3272 was put on Undistricted status for a period of three years.

My membership with my home Club is still alive and my dues are paid till 30th June 2024. I am seriously thinking of joining some club in Mississauga, Ontario Canada or an e club here in Canada or the USA where I have many friends.

Please let me know about the criteria as per your nomination form attached with your email do you want me to write my current Rotary Club name but the District as I mentioned earlier is Undistricted from D 3272 to # 63.

If there is a mandatory requirement for your prospective board members wanting to serve to be in a functional district then I will give you the District number if Mississauga which is D 7080 or the District in USA In case of an eclub.

I will send you the desired information on the nomination form once I have guidance from you regarding the above information.

Thank you once again for your kind consideration.

I am copying two links of my FB Posts regarding Slavery for your interest and knowledge.

Dear Salman,

Call for RAGAS Board of Directors

This current Rotary year is about to end, and it is time to think about the future leadership of the Rotary Action Group Against Slavery. We have a number of board seats that need to be filled and we are looking for interested members of the Action Group to fill those seats.

This coming year, the board will become a working board and want to be very strategic in filling the board positions. The normal term for board positions is 3 years but there are unfilled 2 year terms that are available and we are looking towards the future as our board members retire. We are specifically looking for the following skill sets:

- Financial/Treasurer (US based accounting, banking or other finance related experience)
- Experience establishing a 501c3 tax deductible organization in the United States
- Marketing/Public Relations (to include social media)
- Membership (DACdb experience especially helpful)
- Volunteer coordination
- The Rotary Foundation Cadre
- Strategic planning
- Governance (attorney/legal)

If interested see the attached application.
